January 13, 2010

Dear Friends and Neighbors of Harrisburg Christian School:

Harrisburg Christian School is excited to announce our annual benefit auction, "**Light Up the Knights**", will be held on **Saturday, April 17, 2010**.

Harrisburg Christian School educates and ministers to 300 students in grades kindergarten through twelfth grade. All proceeds from this benefit auction directly impact the school children by providing financial aid for disadvantaged families.

Would you please consider being part of our success in one or more of the following ways?

-  Merchandise donation
-  Gift certificate for product or service
-  Cash donation to help underwrite our costs
-  Consider being a sponsor

Not only will your donation and company information be published in our auction program that goes to over 150 attendees but it will also be published in our school newsletter and benefit auction publicity information that reaches hundreds of other families.

Because of donations from generous businesses like yours, Harrisburg Christian School can provide a quality, Christian education to families of all socioeconomic backgrounds. Thank you for considering a donation to our school benefit auction.

Joyfully,

*Kathy Leonzo*

Director of Fundraising
