

Redeeming Creation

Advanced Placement Environmental Science

Over the summer, you should read “Redeeming Creation: The Biblical Basis for Environmental Stewardship” by Van Dyke, et al. (InterVarsity Press, 1996) If you do not currently have a copy, you can check one out from school during normal office hours.

After reading, you must type up short essays to the following questions for a test grade to be applied to the 1st marking period. This assignment is due the first day of the 2011-2012 school year.

Chapter 1- A Creation in Crisis
Discussion questions on pg. 27- #1, 3, 4

Chapter 2- God the Creation
Pg. 40- #1

Chapter 3- The Value of Creation
