

Science & Technology

Wish List

The Psalmist writes, *"When I consider your heavens and the work of your fingers, the moon and the stars which you have set in place, what is man that you are mindful of him, the son of man that you care for him?"* (Psalm 8:3) Albert Einstein said, *"The more I study science, the more I believe in God."* Harrisburg Christian School strives to provide a quality science education in an innovative academic environment that prepares students for an ever-changing world.

○ Science Safety Equipment - \$8,800

- Indirect Vent Safety Goggles & Germicidal Storage Cabinet (\$750)
- Portable Eye Wash Station (\$400)
- Spill Control Station (\$550)
- Fire & First Aid Blanket (\$100)
- Ductless Fume Hood (\$3,000 - \$7,000)

○ MS/HS Science Lab & Program Expansion - \$7,500

- Upgrade Science Tables & Stools (\$4,600)
- Water Lines – Hot & Cold (\$1,400)
- Digital Microscope Camera (\$500)
- Ten Electronic Geocache Devices (\$1,000)
- Student Response System (\$1,500)

○ Elementary Science Lab Expansion - \$9,000

- Student Science Tables & Stools (\$3,700)
- Two Adjustable Lab Tables (\$1,200)
- Teacher Workstation w/ Mirror (\$400)
- Wall Mount Aquarium (\$1,200)
- Water Lines – Hot & Cold (\$1,400)
- Painting, Cabinets, & "Learning Tree" (\$1,000)

○ Technology Advancements -- \$90,000

- Software Upgrade (\$2,800)
- Server Upgrade (\$5,500)
- Complete Website Renovation (~~\$6,000~~) **\$2,750 Remain**
- One Classroom of I-Pads & Curriculum – 2 Years (\$15,000)
- Upgrade Mac-Lab (\$1,200 per system)
- Upgrade Student Information System (\$60,000)
